Technical drawing of a cross-section of a drainage structure. The structure consists of a central rectangular opening (3.90m wide) flanked by two side sections (each 2.95m wide). The total width is 9.80m. The structure is 2.15m high. The top section is 1.10m high. The side sections are filled with a pattern of circles, representing a filter or aggregate. The top section is a flat slab. The central opening is a rectangular void. Dimensions are given in meters.
